# CitrusGSR

## Heavy Duty Natural Citrus Cleaner

Use: Equipment Cleaning, Asphalt, & Surface Cleaning

### Tech Specs:

Color.....Clear  
 Fragrance.....Citrus  
 Form.....Liquid  
 Phosphates.....None  
 FlashPoint.....140F  
 pH.....NA  
 Specific Gravity.....0.98  
 Viscosity.....Thin  
 Foam.....Moderate  
 Biodegradable.....100%  
 Shelf Life.....1 Year

Available Packages	
0206-275	275 Gallon Tote
0206-55	55 Gallon Plastic Drum
0206-30	30 Gallon Plastic Drum
0206-5	5 Gallon Plastic Pail
0206-4	4 Gallon Case

### What is CitrusGSR?

A natural solvent distilled from citrus peels with detergents that has pleasant scent. A non petroleum solvent cleaner that will emulsify oils and grease so they may be hosed off. Made with pure citrus oils to protect the environment from the hazards of hydrocarbons and chlorinated solvents. This product will penetrate deep, removing the toughest grease and oils. Also great for use as an all natural asphalt release agent.

### Benefits:

- Highly concentrated.
- Removes grease, heavy soils, and oils.
- Environmentally safe solvent.
- Non Corrosive.
- Non -Flammable.
- Will not harm painted surfaces.
- Pleasant scent leaves area smelling fresh.

### Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

Brush or spray onto cold surfaces, motor or parts. Allow product to sit on the surfaces to penetrate. Flush with water. Use a high pressure hydro air gun when available. If motor or parts are excessively dirty, it will help to allow material to sit for a few minutes before rinsing. Product may be diluted depending on level of cleaning demanded. See your local Syntec Representative for specific use instructions.
