Breakdown Heavy Duty Cleaner & Surface Degreaser

WHAT IS BREAKDOWN?

A heavy duty environmentally formulated restoration cleaner and degreaser for the removal of grease, soot, and smoke damage. Ideal for use in remediation projects to clean up painted walls to masonry, brick, ceramic tile and stainless steel. Just spray and wipe to remove all soils. Contains no butyls, acids, caustic alkaline, petroleum hydrocarbons, phosphates, or amines.

Benefits:

- Formulated with the remediation specialist in mind.
- Contains 100% biodegradable environmentally formulated ingredients.
- Contains special penetrating agents for the removal of heavy soils.
- Removes grease, heavy soils, dirt, ink and all stubborn stains.
- Can handle the toughest cleaning and degreasing jobs.

Directions for use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area.

Recommended dilutions are 4oz per gallon for heavy duty cleaning and 2oz per gallon for lighter duty applications. Can also be used for cleaning carpets at 3-4oz per gallon. To enhance performance, apply using a scrub brush and allow to sit for 3-5 minutes before wiping down surfaces.

Make sure to use proper protective clothing when applying this or any chemical.

TECH SPECS:

Color.....Clear
 Fragrance.....None
 Form.....Liquid
 Phosphates.....None
 Flash Point.....212°F
 pH.....10-11
 Specific Gravity.....1.01
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages	
1220-55	55 Gallon Plastic Drum
1220-30	30 Gallon Plastic Drum
1220-15	15 Gallon Plastic Drum
1220-5	5 Gallon Plastic Pail
1220-5.25	2 x 2.5 Gallon Jugs
1220-4	4 Gallon Case
