# Typhoon

## Heavy Duty Aluminum Safe Truck & Fleet Wash Kit

### WHAT IS TYPHOON?

A 2 part concentrated truck wash kit detergent that will remove heavy dirt and road film from painted and aluminum surfaces. Will promote oxidation removal while leaving a sheen on the vehicles surface. This product is ideal for truck wash operators who are looking for a product that is both heavy duty and will not in any way harm polished aluminum.

### BENEFITS:

- 2 Part Kit makes for easy and economical dilutions.
- Contains Carnauba for added protections and surface enhancement.
- Versatile enough for both car and truck wash systems.
- Formulated for the cleaning professional in most manual and automated truck wash systems.
- Special quick rinsing formula that allows for quick turn-over of customers.
- Safe for use on all surfaces including polished aluminum.

| Available Packages |                          |
|--------------------|--------------------------|
| 2698               | 40lib Power Part One     |
| 2699               | 5 Gallon Liquid Part Two |

### DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Add part #1 and Part #2 to 55 gallons of warm water. Recommended dilutions are 20-50:1 after diluting the kit. Consult your local Syntec Representative for specific use instructions.

Make sure to use proper protective clothing when applying this or any chemical.

### RECOMMENDED USES:

- Polished Aluminum
- Trucks & Trailers
- All Fleet Types
- Municipal & Commercial Trucks
