PeroxiClean

Concentrated Peroxide Cleaner

Use: Hard Surface Cleaning

What is PeroxiClean?

Peroxi-Clean is a one of a kind cleanser formulated with surfactants to dissolve and suspend soils in water. The Oxygen triggers the surfactants and increases efficiency. A pleasant citrus odor penetrates fibers and surfaces sending the cleaning agents deep into the soils and stains. Peroxi-Clean destroys odors while providing color safe bleaching action. This cleanser will give you superior cleaning capabilities given sufficient contact time. Peroxi-Clean is formulated for optimal performance when used at the prescribed dilutions. One product replaces individual glass cleaners, spray and wipe cleaners, degreasers & mopping solutions.
