KleenGreen

Deep Cleaning Cleaner & Surface Degreaser

Use: Hard Surface Cleaning

What is KleenGreen?

A heavy duty cleaner for everyday cleaning. This incredible product has been formulated to be environmentally safe to use and handle. This product is made with 100% biodegradable materials and is non-toxic. Kleen Green can be used in a variety of different applications from light duty cleaning all the way to heavy degreasing in industrial applications. This product has been built with high levels of detergents and surfactants, allowing it to be diluted under many situations. Safe to use on virtually any surface.

Benefits:

- Multi-Purpose Cleaner that can be used in a wide range of applications.
- Contains special penetrating agents for the removal of heavy soils.
- Removes grease, heavy soils, dirt, ink and all stubborn stains.
- Can handle the toughest cleaning and degreasing jobs.
- Highly versatile in usage and dilutions.
- Can be applied through sprayers, by hand, or through pressure machines.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Can be diluted with up to 10 parts water for light duty cleaning.

Make sure to use proper protective clothing when applying this or any chemical.
