

ProClean

professional grade fleet, vehicle, & pressure wash detergents

Reorder No: 0205

TR-2

Heavy Duty Tar & Asphalt Remover

Use: Equipment Cleaning, Asphalt, & Surface Cleaning

What is TR-2?

Heavy-duty, solvent-based liquid that rapidly penetrates, softens, and dissolves asphalt, tar, and similar soils. Contains special emulsifiers that allow it to be rinsed easily with water and leaves no residue. Safe on metals. Contains a blend of strong solvents and biodegradable emulsifiers and detergents.

Benefits:

- Formulated for the cleaning professional in industrial and commercial situations.
- Can be used as a degreaser as well as a tar remover.
- Mild enough to be used on fine paints.
- Can be easily rinsed.
- Water rinsable.
- Emulsifies hot and cold tar & asphalt for easy removal.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Apply to the surface in concentrated form by spraying, mopping, or pouring. Allow to penetrate and dissolve the tar or asphalt deposits for a short period of time. Use only light agitation. Heavy may remove paint and wax. Rinse with water under pressure.

Tech Specs:

Color.....Clear
 Fragrance.....Solvent
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....160F
 pH.....NA
 Specific Gravity.....0.99
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages	
0205-275	275 Gallon Tote
0205-55	55 Gallon Plastic Drum
0205-30	30 Gallon Plastic Drum
0205-5	5 Gallon Plastic Pail
0205-4	4 Gallon Case
