

Reorder No: 0320

Neutral

Neutral pH Floor & Surface Cleaner

Use: Hard Surface Cleaning

What is Neutral?

Neutral is a super concentrated, no rinse floor cleaner formulated with biodegradable surface active agents. Neutral removes surface dirt without reducing gloss. Additionally, Neutral lifts and neutralizes the haze commonly associated with chemical ice melt treatments. Available with Green Seal Certification.

Directions For Use:

Spray on surface to be cleaned and wipe off with damp cloth. Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. All dilutions must be done using cold water.

Dilution:

Regular Cleaning: 1:64 (2oz. Per gallon)

If using a portable dilution center, connect Neutral to portable device, fill container, and then flush system if incompatible materials will be used. Make sure to use proper protective clothing when applying this or any chemical.

Precautionary Statements (First Aid):

Ingestion: Do not induce vomiting. If victim is conscious and alert, give 2-4 cups of water. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Inhalation: Remove from exposure and move to fresh air immediately and keep comfortable for breathing. If breathing is difficult, give oxygen. If breathing has ceased apply artificial respiration using oxygen and a suitable mechanical device such as a bag and a mask. Get medical attention immediately if irritation persists.

Eyes: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Get medical attention immediately if irritation persists.

Skin: Immediately flush skin with plenty of water for at least 15 minutes while removing any contaminated clothing and shoes. Discard contaminated clothing in a manner which limits further exposure, making sure to wash before reuse. Contact a physician immediately if irritation persists.

Tech Specs:

Color.....Yellow
 Fragrance.....Lemon
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....7-8
 Specific Gravity.....1.01
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year
