CitraScrub

Powdered Citrus Floor Cleaner

Use: Tile & Concrete Floor Cleaning

What is CitraScrub?

A powdered, alkaline, deep penetrating detergent designed for use on all concrete floors. Contains special wetting and penetrating agents, allowing the product to do work, saving time and labor. This product contains special low foaming detergents, allowing for auto scrubber cleanup. Will leave areas smelling fresh and clean. For use in warehouses, on plant and factory floors, plant washrooms, and the like.

Benefits:

- Removes the heaviest soils.
- Contains all non-hazardous ingredients, making for easy handling and storage.
- Fortified with citrus agents for enhanced cleaning.
- Can be applied manually or can be diluted into solution.
- Removes heavy grease and oils from deep cracks and imperfections in floors.
- Will not leave behind any residue.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

For heavy duty cleaning, disperse Citra Scrub directly onto floors surface. Allow product to sit for 5-10 then rinse. For optimal results wet floor first, then disperse product. This allows for great surface penetration.

If a mop bucket application is desired, mix 1-6 ounces of product per gallon of warm water. Mix till completely dissolved. Wash then rinse. More concentrated solutions may be required depending on the quality of the floor being cleaned.

Tech Specs:

Color.....Yellow
 Fragrance.....Citrus
 Form.....Powder
 Phosphates.....None
 FlashPoint.....NA
 pH.....NA
 Specific Gravity.....NA
 Viscosity.....Free Flowing
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year
