

Tech Specs:

Color.....Purple
 Fragrance.....Lavendar
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....13
 Specific Gravity.....1.01
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages	
0430-275	275 Gallon Tote
0430-55	55 Gallon Plastic Drum
0430-30	30 Gallon Plastic Drum
0430-15	15 Gallon Plastic Drum
0430-5.25	2x2.5 Gallon Jugs
0430-5	5 Gallon Plastic Pail
0430-4	4 Gallon Case

Zip Strip

Multi-Purpose Floor Stripper

Use: Floor Stripper

What is Super Strip?

A professional strength, economical, fast acting no-rinse stripper that quickly emulsifies floor waxes, sealers and finishes. Zip Strip will strip floors in less time and effort than conventional strippers due to its extremely aggressive nature, allowing cost savings by decreasing labor time.

Benefits:

- Strips quickly and easily.
- Doesn't leave behind a slimy mess.
- Low foam allows for effortless automated cleanup.
- Removes multiple layers in one shot.
- Rinse Free.
- No neutralization required.

Directions For Use

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Wet floors may be slippery so prevent pedestrian traffic with signs or barricades. Dilute with from 1 to 5 parts water when manually stripping. Automatic scrubber solutions should be 1part concentrate with 10 parts water. Liberally apply to small area of approximately 100 square feet covering completely and to the baseboards.

Allow 3 to 5 minutes for chemical action, but do not allow to dry on the floor. Agitate with mop or machine scrub, then pick up solution using a wet vac or automatic scrubber. Damp mop with clean water to remove residue.

Make sure to use proper protective clothing when applying this or any chemical. Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.
