

# Truck & Barrel Brite

## What is the eco wash System?

The eco wash is a revolutionary new cleaning process that uses new patented foaming technology to improve the cleaning process as well as decrease the levels of chemical required to do the same job. Each of these products have the foam building system built into them allowing for a much longer dwell time and improved effectiveness. Surfaces stay wet longer allowing the chemicals to do more work with less product.

## What is Truck & Barrel Brite?

Is a premium special non fuming, non-corrosive high foaming acid based concrete truck & barrel cleaner & brightener. This product will remove concrete from trucks, forms, equipment, and from mixers. This product goes to work immediately and is harmless on most paints and finishes when used as directed. This special blend allows for safer handling, decreasing costs of repair and maintenance on vehicles. Great for use in automated and drive through systems.

## Product Benefits:

- Goes to work immediately. There is no reaction time needed.
- Special foaming action allows chemicals to work longer.
- Non-fuming formula.
- Non Hazardous, allowing for easy use and storage.
- Will remove rust without attacking vehicles metals.
- Contains special inhibitors for metals.
- Leaves behind a shine on the trucks surface.
- Easy to rinse and neutralize.
- Environmentally Safe & Biodegradable.

## DIRECTIONS FOR USE:

Apply chemical using a foaming wand or chemical foaming tip. Dilute product with up to 4 parts water depending on the quality of the surface being cleaned. Surfaces that are have not been cleaned regularly, may require a stronger solution or multiple applications. Allow to dwell and then rinse well.

Once product is mixed apply to desired surfaces under low pressure when possible. Heavy foam will allow solution to work longer and more effectively on surfaces, requiring less labor and less chemical. Rinse with a high pressure rinse. Using cold water will help and expedite rinsing.

## Tech Specs:

Color.....Oragne  
 Fragrance.....Citrus  
 Form.....Liquid  
 Phosphates.....None  
 Flash Point.....212°F  
 pH.....1-2  
 Specific Gravity.....NA  
 Viscosity.....Thin  
 Foam.....High  
 Biodegradable.....100%  
 Shelf Life.....1 Year

Available Packages	
0506XC-55	55 Gallon Drum
0506XC-30	30 Gallon Drum
0506XC-15	15 Gallon Drum
0506XC-5	5 Gallon Pail
0506XC-4	4 Gallon Case
