RestCon

Heavy Duty Non Hazardous Restoration Cleaner

Use: Stone, Tile, and Concrete Restoration

WHAT IS REST CON?

A non hazardous concrete cleaner and brightener. Formulated for cleaning of new masonry and concrete. This product is safe to use and store and contains no harsh odors. Used as described, in the directions, there should be no significant impact on the plants or soils of the job site but protecting landscape should be taken. Rest Con is safe for virtually any type of brick, block, stone, or pre-cast. Rest Con will solve a host of problems including efflorescence, lime putty, and most mineral stains.

Benefits:

- Formulated for professionals.
- Easy to use one step cleaner.
- Non Hazardous.
- Non Fuming.
- Fast Acting.
- Removes heavy stains and discoloration.
- Doesn't require heavy scrubbing.
- Safe to handle and store.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Recommended dilutions are 1-10::1. For heavy applications, use straight. Consult your local Syntec Representative for specific use instructions.
