MDL Chloro

Chlorinated Automatic Dish Detergent

WHAT IS MDL CHLORO?

A premium ware washing detergent designed for automatic dish washing machines. MDL CHLORO has been formulated phosphate free allowing it to be used to meet all 50 states phosphate standards. This amazing liquid is tough on food soils while quickly rinsing from all surfaces. It has also been formulated to attack food grease and oils. This product is formulated for use in multiple water conditions.

BENEFITS:

- Does not contain phosphates.
- Prevents soil redeposition.
- Built for use in hard water applications.
- Designed for use in systems that require heavy duty detergents.
- Removes heavy greases and oils from dish surfaces.
- Hard water formula will decrease scale build up in machine.
- Offers high use yields.

Available Packages	
o606-15	15 Gallon Plastic Drum
o606-5	5 Gallon Plastic Pail
o606-4	4 Gallon Case

DIRECTIONS FOR USE:

For institutional or commercial use.

DO NOT MIX WITH OTHER CHEMICALS

Before use, read product label and Material Safety Data Sheet.

Find the appropriate pick up tube for the detergent on an automatic dish machine. Set the use rate at 10 ml per rack. Make sure that product is being fed to the machine.

Make sure to use proper protective clothing when applying handling this chemical.
