EndureSuds
Pot & Pan Dish Detergent For Injection Systems

For Use In USDA Facilities.
Meets USDA Guidelines
For Manufacturing & Cleaning.

Use: Food Service & Food Prep Areas

What is EndureSuds?
A free flowing pot & pan detergent for injector applications. A mild, low pH detergent that is easy on hands. Leaves them silky and smooth. Premium concentrate that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases.

Benefits:
- Special viscosity allows for easy and economical injection.
- Produces a robust foam.
- Highly viscous product.
- Built for use in hard water applications.
- Removes heavy greases and oils from dish surfaces.
- Contains lotions to prevent hands from drying out.
- Pleasant apple orchard scent.
- Offers high use yields.

Directions For Use
For dishes, glasses, silverware & other eating utensils:
Use at 1/4 to 1/2 ounce per gallon of warm water. If unusually heavy soil conditions prevail, increase the amount up to one ounce per gallon.

For pots, pans and baking units: Use at 1/2 to 1 ounce per gallon of warm water. This heavy concentrate is recommended to increase the speed of cleaning.

For general surface cleaning: Use up to 1 ounce per gallon. First sponge surface then rinse with water. Do not allow surface to dry before rinsing.

Tech Specs:
Color……..................Orange
Fragrance…................Orange
Form.............................Liquid
Phosphates......................None
FlashPoint………..............212F
pH.......................................7-8
Specific Gravity..................1.03
Viscoty.....................Moderate
Foam…............................High
Biodegradable…..….……100%
Shelf Life...........................1 Year
