DeepBlue

Powdered Manual Pot & Pan Detergent

Use: Food Service & Food Prep Areas

What is DeepBlue?

A concentrated pot & pan detergent for manual applications. A mild, low pH detergent that is easy on hands. Leaves them silky and smooth. Highly concentrated product that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases. Easily dissolves in cold water or warm water.

For Use In USDA Facilities.
Meets USDA Guidelines
For Manufacturing & Cleaning.

Benefits:

- Produces a robust foam.
- Easy to dispense powder.
- Mild on hands
- Removes heavy greases and oils from dish surfaces.
- Pleasant lemon scent.
- Offers high use yields.

Directions For Use

For institutional or commercial use.

For dishes, glasses, silverware & other eating utensils:

Use at 1 ounce per gallon of warm water. If unusually heavy soil conditions prevail, increase the amount up to 2 ounces per gallon.

For pots, pans and baking units: Use at 1 to 2 ounce per gallon of warm water. This heavy concentrate is recommended to increase the speed of cleaning.

For general surface cleaning: Use up to 1 ounce per gallon. First sponge surface then rinse with water. Do not allow surface to dry before rinsing.
