# TrueGrit

## Solvent Free Pumice Hand Soap

Use: Hand Care

**WHAT IS TRUE GRIT?**

True Grit is an industrial-strength, hand cleaner that combines the degreasing power of non solvent detergents with the scrubbing action of pumice to remove the heaviest of grease and oils. This product will work in the toughest of applications from mechanic shops to auto body shops. Special high foaming ingredients help carry dirt away and make rinsing a snap. True Grit is fortified with special emollients to help prevent hands from drying out and cracking. True Grit leaves hands clean and soft.

**BENEFITS:**

- Made with heavy duty detergents and emulsifiers.
- Does not contain any solvents.
- High foaming and easy rinsing.
- Contains a special grade of pumice to leave hands soft.
- Penetrates deep into grease and oils for easy removal.
- Contains coconut oil to prevent hands from drying out.
- Leaves hands smelling clean and fresh.
- Formulated to clean the dirtiest of hands.

**Directions For Use:**

Wet hands and forearms

Apply 5 milliliters (teaspoonful) or palmful to hands and Forearms and any other bodily surface to be cleaned. Scrub thoroughly for 1 minute and rinse This product must be dispensed from adequate dispensers located a sufficient distance from processing lines to prevent accidental product contamination.
