## Heavy Duty Commercial Pumice Hand Soap

Use: Hand Care

### WHAT IS TNT?

TNT is an industrial-strength, hand cleaner that combines the degreasing power of detergents with the scrubbing action of pumice to remove the heaviest of grease and oils. This product will work in the toughest of applications from mechanic shops to auto body shops. Special high foaming ingredients help carry dirt away and make rinsing a snap. TNT is fortified with special emollients to help prevent hands from drying out and cracking. TNT leaves hands clean and soft.
