

StoneCare

Stone, Tile, & Concrete Restoration

Reorder No: 1014

SureClean

Multi Use Cleaner For Marble, Stone, Tile

Use: Stone, Masonry, & Aggregate Restoration

What is Sure Clean?

Sure Clean is a powerful and extremely effective product for cleaning and degreasing light-to-heavily soiled stone, tile, masonry and much more. Powerful enough for industrial use, flexible enough for virtually any cleaning job. It's concentrated for the toughest industrial cleaning jobs on concrete, metal and many other plant and other industrial surfaces.

Benefits:

- Cleans and degreases light to heavily soiled surfaces.
- Removes buildup quickly and safely from masonry and marble.
- Special non streaking formula.
- Special formulation does not need neutralization.
- Free of acids and other harsh chemicals.

Directions For Use:

Use in concentrate to remove heavy soiling. When used as a light-duty cleaner, dilute up to 1 part cleaner to 30 parts clean water. Application Instructions

1. Working from the bottom to the top, prewet the surface with clean water.
2. Apply the appropriately diluted solution to the masonry surface using a brush or low-pressure spray.
3. Let the cleaner stay on the surface 1–10 minutes, based on testing. Gently scrub heavily soiled areas. If drying occurs, lightly wet surfaces with fresh water and reapply the cleaner in a gentle scrubbing manner.
4. Working from the bottom to the top, rinse the surface thoroughly with clean water.
5. Repeat steps 1 through 4 if necessary. Cleanup

Tech Specs:

Color.....Purple
 Fragrance.....Faint
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....11
 Specific Gravity.....1.03
 Viscosity.....Thin
 Foam.....Moderate
 Biodegradable.....100%
 Shelf Life.....1 Year

Available Packages	
1014-275	275 Gallon Tote
1014-55	55 Gallon Plastic Drum
