Formula 1000

Ammoniated Alkaline Spotter & Preconditioner

Use: Carpet & Traffic Lane Cleaning

What is Formula1000?

FORMULA 1000 is for use in pump up sprayers or hand held trigger sprayers. Contains low foam detergents, brighteners, self neutralizing alkali. Safe for all fabrics including velvet, silk, linen, and cotton when used as directed. Can be used to remove spots that were left behind during the cleaning process.

Benefits:

- Fast acting.
- Non Hazardous.
- Makes stains disappear.
- Contains self neutralizing alkali.
- Contains brighteners.

Directions For Use:

Read the entire label and MSDS before using this product. Remove excessive residue using a bone spatula. Apply Formula 1000 straight to the spot and agitate in by blotting or using a brush. When agitating, make sure to move from the outside in on the stain. Rinse with cold water using a towel or use an extraction cleaner.
