One

Powdered Extraction & Truck Mount Detergent

Use: Carpet & Traffic Lane Cleaning

What is One?

A high performance, powdered carpet extraction shampoo that has been designed to remove the toughest stains and soils from all types of carpets. Formulated especially for Truck Mounted Injection Extraction units. Contains a highly concentrated blend of detergents, alkali and brighteners. Pleasantly scented to leave rooms smelling clean.

Benefits:

- Designed for use with extraction machines and steam cleaning units.
- Fast breaking formulation.
- Formulated with special easy rinsing low foaming surfactants.
- Cleans and brightens all types of synthetic & natural fibers.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Dilute 1/2 lb detergent with 5 gallons warm water. Set the chemical flow meter 2 gallons per hour. The chemical flow can be increased slightly if more chemical is desired.
