PowerZyme

Powdered Enzymatic Carpet Cleaner & Pretreat

Use: Carpet & Traffic Lane Cleaning

What is PowerZyme?

A high performance, powdered enzyme spotter extraction shampoo that has been designed to remove the toughest stains and soils from all types of carpets. Formulated especially for Truck Mounted Injection Extraction units. Contains a highly concentrated blend of detergents, emulsifiers and brighteners. Pleasantly scented to leave rooms smelling clean.

Benefits:

- Contains special enzymes to enhance cleaning performance.
- Fast breaking formulation.
- Formulated with special easy rinsing low foaming surfactants.
- Cleans and brightens all types of synthetic & natural fibers

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Dilute 8oz of detergent with up to 5 gallons warm water. Set the chemical flow meter 2 gallons per hour. The chemical flow can be increased slightly if more chemical is desired.
