# BactTreat

## Bacteria Drain & Septic Treatment

Use: Drain & Septic Maintenance

### WHAT IS BACT TREAT?

A modern environmentally designed formulation to unclog sewers, drains, and septic fields. Will breakdown and aid in the organic build-ups without the use of caustics, acids, solvents, or any regulated hazardous ingredients. Enzyme/bacteria mixture selected for optimum effectiveness of dissolving and breaking down waste and to keep systems running at their optimum efficiency. (Regular use is suggested.)

### Benefits:

- Concentrated Formula.
- Naturally Breaks Down Bacteria.
- Excellent For Routine Maintenance.
- Can Be Used For Residential And Commercial Applications.
- High Bacteria Counts.
- Safe For All Systems.

### Directions For Use:

Read MSDS and test in a small inconspicuous area.

**FOR SEPTIC TANKS & CESSPOOLS:** Pour down any drain in the house 1/2 cup monthly for each person using the system. Older or over-taxed systems may require more.

**FOR DRAINS & PIPES:** To clean lines and avoid build-ups, pour 4 ounces down kitchen drain and 2 ounces down each other drain weekly. Flush with warm water.

**SAFE FOR GARBAGE DISPOSALS:** Pour 2 ounces in disposal weekly to avoid build-up and control odor.

**FOR ODOR CONTROL:** Dab or spray on affected area as needed.

### Tech Specs:

Color.....Opaque  
 Fragranc.....Fresh  
 Form.....Liquid  
 Phosphates.....None  
 FlashPoint.....212F  
 pH.....8  
 Specific Gravity.....1.02  
 Viscosity.....Thin  
 Foam.....Moderate  
 Biodegradable.....100%  
 Shelf Life.....1 Year
