FoamBrite

Concentrated High Foaming Bathroom Cleaner

Use: Bathroom & Restroom Cleaning

What is FoamBrite?

A concentrated high foaming bathroom cleaner that will remove soap scum and other surface debris. This product is made from mild acids making it non fuming and safe to use under almost any cleaning system. A special high foaming detergent package allows the product to be foamed on, allowing increased dwell time on vertical surfaces.

Benefits:

- High foam allows product to cling to surfaces.
- Safe for use on all surfaces.
- Non hazardous.
- Quickly removes hard water and mineral buildup.
- Powerful fresh scent.
- Concentrated formula.

Directions For Use:

Read the entire label before using this product.

For use on all types of hard tile surfaces and grout to clean mineral deposits and soap scum. Not recommended for use on Formica® or other surfaces harmed by acid products. Test in an inconspicuous area prior to use if unsure.

For light soil: 4 oz per gallon (1:32)

For moderate soils: 6oz oer gallon (1:21)

For heavy soils: 8 oz per gallon 1:16)
