

CleanZyme™ Bathroom Cleaner

Enzymatic Bathroom Cleaner

What is CleanZyme Bathroom Cleaner?

A heavy duty environmentally formulated bowl and bathroom cleaner that can be used on virtually any surface to remove soils, body oils, and soap scum. Will clean and freshen bowls and urinals. Just spray and wipe to remove all soils. Great for use on urinals, walls, and countertops.

Benefits:

- Enzymatic action allows for continuous cleaning.
- Removes soap scum without heavy scrubbing.
- Non Hazardous, non toxic.
- Safe to use in public areas.
- Will continue to work long after cleaning is finished.
- Will not leave behind any residue.
- Easy application.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area. For professional use only by trained personnel.

Versatile formulation allows for use in virtually any application type. Can be used in manual or mechanical applications. If possible, allow solution to sit and react.

Dosage: (always mix with cold water)
Regular Light Cleaning 1oz per gallon
Regular Medium Cleaning 2oz per gallon
Heavy Duty Cleaning 4 oz per gallon

Tech Specs:
