

Ultra Soft

Concentrated Laundry Softener

What is Ultra Soft?

ULTRA SOFT is a premium cationic fabric softener designed for use in an automatic liquid injection system. By retarding a static charge, fabrics are left soft to the touch. Also a pleasant scent is left behind that enhances the feel of all the finished goods. Highly concentrated and can be used in hotels, motels, hospitals, shirt laundries, nursing homes, etc.

BENEFITS:

- Cationic fabric softener
- Reduces static cling
- Leaves fabric softer to the touch
- Pleasantly scented

Directions For Use:

Before use, read product label and Safety Data Sheet.

Add to Rinse cycle: Inject 4-6 oz. Per 100 wt.
Do not use bleach, starch or other detergents or packaged water softeners in the same water as this fabric softeners.
