Charge

High Efficiency Laundry Detergent

NOTE: Powdered Version Available

What is Charge?

A powerful laundry detergent specially formulated to combat the toughest soiling problems in microfiber. Microfibers absorb a large amount of dead organic soils that can quickly make mops look dingy and old. Charge quickly penetrates deep into the fibers and causes a reaction that releases imbedded soils. In one wash, charge will quickly turn micro-fibers back to their original color and clean smell. Charge is also an excellent detergent for any laundry classifications.

Benefits:

- Powerful charged detergent
- Restores Microfiber
- Free rinsing formula allows for quick, complete rinsing.
- Extremely versatile
- Controlled foam for HE applications.

Directions For Use:

Separate laundry into different classifications. Add the appropriate level of laundry to the machine. **DO NOT OVER LOAD.** Add the appropriate level of Detergent :

- Light Soils.....2 oz. / 50 wt
- Medium Soils.....3 oz. / 50 wt
- Heavy Soils.....4 oz. / 50 wt

Make sure to use proper protective clothing when applying handling this chemical.
