

Magic250 Heavy Duty Powdered Truck & Fleet Wash

WHAT IS MAGIC 250?

A heavy duty economical, grease cutting, all purpose truck wash. Versatile enough to be used on trucks to the soot and grease covered surfaces of trucks and trailers. Magic 200 contains water softeners to prevent spotting in hard water areas, sheating agents to enhance rinsing, and corrosion inhibitors to help fight against rust and oxidation build-up. Magic 200 is formulated to be used as a manual truck wash or as a concentrated detergent in cold and hot water, high pressure applications.

BENEFITS:

- Formulated for the cleaning professional
- Can be used as hand wash detergent or dilute for an incredible all purpose high pressure detergent.
- Safe on all paints and polished aluminum.
- Quick & easy rinsing.
- Leaves any vehicles surface streak free.
- Dry residual can be easily rinsed off.
- After drying vehicle will be spot free.
- Economical for multi-purpose cleaning.

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Recommended dilutions are 2-6 ounces per gallon of warm water. Consult your local Syntec Representative for specific use instructions. Can also add up to 2-50# pails for a strong aggressive cleaner.

Make sure to use proper protective clothing when applying this or any chemical.
