

Reorder No: 2684-2685

PowerBrite Heavy Duty Truck & Fleet Wash Kit

WHAT IS POWER BRITE?

Power Brite is a super concentrated 2 part detergent kit designed for heavy duty cleaning. This product contains special additives that provide a foaming action and lubrication while reducing corrosion of the metal. This special kit will aid in the removal of carbon soot, road film, and heavy soils without the need of extensive brushing. Anyone already using kits will find this product to exceed their expectations.

BENEFITS:

- Special 2 part kit allows for economical dilutions.
- Specially formulated for deep penetration of dirty and weathered aluminum trailers and box trucks.
- Can be used in hot and cold water applications.
- Special space saving package.
- Only contains 2 parts for easy preparation.
- Power Brite is biodegradable and can be used in almost any pressure wash system.
- Contains special sheeting agents for easy rinsing.

Available Packages	
2684	40lib Power Part One
2685	5 Gallon Liquid Part Two

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Add Part #1 and Part #2 to 45 gallons warm water. Mix solution thoroughly until all the powders are dissolved and the solutions is uniform. This solution can then be used at 20-50:1 depending on the quality of the surfaces being cleaned.

Make sure to use proper protective clothing when applying this or any chemical.

RECOMMENDED USES:

- Manual & Automated Systems
- Trucks & Trailers
- 3Rd Wheels & Tanks
- Heavy Duty Equipment

HMIS Rating:

- Health = 3
- Reactivity = 0
- Fire = 0
- Personal = D
