Best 20

Concentrated Organic Acid Bathroom Cleaner

Use: Bathroom & Restroom Cleaning

What is Best 20?

A concentrated environmentally formulated bowl and bathroom cleaner that can be used on virtually any surface to remove soils, body oils, and soap scum. Will also clean and freshen bowls and urinals. Just spray and wipe to remove all soils. Will also remove hard water, scale buildup, and hard water stains from chrome and other bathroom surfaces.

Benefits:

- Environmentally formulated to meet all "green" standards.
- Contains special detergents and organic additives for enhanced cleaning.
- Safe to use on all surfaces, chrome, and porcelain.
- Great for use in areas that are heavily used and soiled.
- Can be applied through sprayers, by hand, or through pressure machines.

Directions For Use:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Recommended dilutions are 4oz per gallon for heavy duty cleaning and 2oz per gallon for lighter duty applications.

Make sure to use proper protective clothing when applying this or any chemical.

Tech Specs:

Color.....Blue
